Meeting Minutes, July 20, 2006

Committee for Citizen Involvement

CCI Members Present: Basil Christopher, Bev Froude, Brian Kelly, Stacie Yost

CCI Members Absent: Sue Carver, Rick Parker, Bill Scheiderich

Staff Present: Liz, Newton, Duane Roberts

This was a joint meeting with two members of an informal steering committee of some 30 citizens who had indicated an interest in developing the Neighborhood Program.

Liz facilitated the meeting. She explained that the meeting purpose was to develop the structure of the Neighborhood Program. She is looking for CCI and steering committee feedback on the organization of the program, including the responsibilities and authority of the neighborhood organizations and their relationships to each other and to other City groups.

Liz provided a number of handouts. These included, among others, and Areas 4 and 8 meeting comments.

September 17th is national Neighborhood Day.

The topic of the next meeting hosted by the CCI is ideas for organizing the Neighborhood Program. Liz will send out a list of potential ideas in advance of the meeting. [These now will be distributed at the meeting]
